BRANCBURG'S HISTORY

Incorporated in 1845, the area now known as Branchburg Township was originally inhabited by the Raritan Indians a tribe of the Lenni-Lenape Indians. By 1686 most of the land was purchased by the Lords proprietors of East Jersey. These Proprietors sold the land in small parcels to numerous settlers, mostly of Dutch or English extraction. Branchburg at that time was located in a large area called East Jersey and encompassed parts of Essex and Middlesex Counties as well. County boundaries were a subject of controversy until 1741 when Somerset County acquired parts of Middlesex and Essex Counties, nearly doubling its size.

Due to the expansion of Somerset County, Branchburg finally lay entirely within the County where it is presently located. Today, Branchburg is a semi-rural area of approximately 20.2 square miles, is eleven miles long and approximately two miles across at its widest point.

There is a touch of small village flavor in the hamlets of North Branch and Neshanic Station.

TOWNSHIP GOVERNMENT

Initially Branchburg was governed by a three-member Township Committee which met annually in the spring to consider the needs of the Township. The Township Committee began to meet monthly in 1876. In the 1971 General Election, Branchburg voters elected a five member Township Committee. This was mandated by State statute due to the increase in population beyond 4,000 as shown by the 1970 census.

All five members of the Township Committee are elected at large for staggered three year terms. Their duties include a combination of legislative, executive and administrative functions, such as enacting ordinances and seeing to the enforcement thereof, appointing personnel, appointing board/commission members, managing financial affairs, etc.

The Mayor is selected by the Township Committee from among its' members for a one-year term. The Mayor's major responsibilities, in addition to those as a voting member of the Township Committee, are to preside over the meetings and to sign checks and contracts. The Mayor is in effect, the Chairman of a Committee, as the statute provides, and "...shall be known as the Mayor of such Township, but shall have no additional authority by virtue of such designation except as may be otherwise provided by law applicable to the Township. All actions taken must be the actions of the Township Committee."

The Regular Meetings of the Township Committee are held on the 2nd and 4th Monday of each month. Special Meetings and Work Sessions are periodically scheduled. The Township Committee meets in an Executive Session at 7:00 PM; the public portion of the meeting begins at 8:00 PM. All meetings, unless otherwise specified, are held in the Municipal Building.

All public meetings usually have two portions where the public is invited to speak, in addition to any public hearings on Ordinances that may be scheduled.

Township Committee meetings are shown live on Comcast Local Access Channel 27 and Fios Channel 46 beginning at 8:00 PM. Meetings are also streamed live on the Township's website. Planning Board and Board of Adjustment meetings are also televised and streamed live via the website.

Agendas are available on the day of the meeting in the Township Clerks' Office and on line at www.branchburg.nj.us the Friday before the meeting. Proposed Ordinances and Resolutions are also posted on the Township's website on the afternoon of the meeting and in the meeting room on the night of the meeting.
