OFFICE OF THE TOWNSHIP ENGINEER

Nassau Court Road Improvements September 25, 2017

Letter to Residents

Dear Resident,

Please be advised the Township of Branchburg has awarded a contract for the road milling and paving of Nassau Ct.

Weather permitting the Paving Schedule is as follows:

<u>Location:</u>	<u>Dates</u>
Nassau Ct. – Milling & Base Course Paving	9/26/17 – 9/27/17
Various Localized Work Throughout	9/28/17
Nassau Ct – Surface Course Paving	9/29/17

Vehicular access to your property will be inaccessible during this process. The road will be fully open by the end of each day. Please refrain from placing any leaves or debris at the road edge so it does not interfere with the work. Garbage and Recycling may be interrupted during these days.

Busses: Bus pick-up has been coordinated with the BB Transportation Dept.

To receive email notifications of this project and other road improvement projects, please register at the Township's website. You can register to receive these updates by going to www.branchburg.nj.us and by hitting the words "Email Alert" directly under the Township seal. Within the GovDelivery system, you need to toggle "Road and Bridge Closing and Construction Announcements", under the "News and General Information" heading.

If you should have any questions do not hesitate to contact me at the Engineering Department at (908)526-1300 ext. 142. Your anticipated cooperation is greatly appreciated.

Sincerely,

Douglas Ball, P.E.
Township Engineer
