

A free child health clinic is offered to any Branchburg resident without health insurance. The clinic provides well baby check-ups and immunizations for newborns, toddlers and pre-school children, as well as immunizations for children aged 18 and under who are attending school. There is no charge for this service. The nurse, registered dietitian and physician assess the growth and development of children who attend. In addition, parents receive information and education on child health.

Children are seen by appointment only. To schedule an appointment, please call Community Visiting Nurse Association at 908-725-9355, ext. 0
